Awais Iqbal Qadri

Software developer | DevOps Engineer

I am an enthusiastic and driven Software Engineering graduate with BS (Hons) degree from the University of Gujrat. Perusing my journey as a MERN Stack Developer with 2+ years of professional experience also worked with cloud resources. Experienced working in FinTech.

Education

Computer Science (Master's)

Since September 2022 [Univeristy of Gothenburg](#) Göteborg, VG, Sweden
Perusing my master's degree in major courses (requirement engineering, functional programming, Advance Web development techniques...)

Software Engineering (Bachelor's)

From September 2015 to September 2019 [University of Gujrat](#) Gujrāt, PB, Pakistan

Final year project:

I developed blood donation platform (Web application + mobile apps) using Angular.js as website front end, React Native for hybrid mobile applications development and expressjs for REST API's and mongoDB as database.

Work experience

Freelancing

Since January 2023 [Self Employed](#) Stockholm, Sweden

Full stack developer | DevOps Engineer

From January 2021 to December 2022 [Morosoft technologies](#) Islambad, Pakistan
Worked as full stack developer, using tech stack Nextjs, prismaORM, reactjs, Nodejs, Expressjs, AWS, React Native, Firebase, Postgres, MongoDB.

Software Developer

From January 2020 to December 2020 [Cipher Savvy](#) Rawalpindi, Pakistan
Served as a MERN stack developer, developed hybrid mobile applications (iOS+Android) using React Native, react.js for front-end development and expressjs for REST API's.

Front End developer (internee)

From September 2019 to December 2019 [IntraSols](#) Islambad, Pakistan
I was an internee, working with core php and website front end designing with HTML5, CSS3, BootStrap, jQuery.
